

## 80th anniversary of the Faculty of Civil Engineering of Wrocław University of Science and Technology

(<https://80wbliw.pwr.edu.pl/>)

The year 2025 is a special time for our academic community – Faculty of Civil Engineering is celebrating the 80th anniversary!

It marks eight decades of tradition, innovation, and contribution to the development of structural engineering in Poland as well as internationally. On this occasion, the Dean cordially invites you to join us in celebrating at the "80 Years of the Faculty of Civil Engineering" conference, which will take place on October 17, 2025, at Wrocław University of Science and Technology. This will be an opportunity not only to meet and reminisce, but also for inspiring discussions about the future of construction and engineering.
